Procedures

****Please Note**** For the purposes of this policy document, the terms Coordinator and Nominated Supervisor have been used interchangeably as the roles and responsibilities of each position are similar.

The *Education and Care National Services Law Act 2010* states that an Approved Provider must not operate a service without a Nominated Supervisor for that service. The Approved Provider, as holder of the service supervisor certificate, appoints an educator whom they deem to be suitably qualified and/or experienced, and with their consent, to be the Nominated Supervisor of a service.

As the person responsible for the day-to-day management of an Approved Service, a Nominated Supervisor has a range of responsibilities including (but not limited to):

- Ensuring educational programs are delivered in accordance with approved frameworks, based on the developmental needs of children and designed to consider the individual differences of each child.
- Ensuring children are supervised, not subject to inappropriate discipline and protected from harm or hazards.
- Ensuring food and beverages provided by the service are healthy, nutritious and chosen regarding the dietary needs of children attending.

- Ensuring appropriate health and hygiene practices are developed, implemented, and practiced by educators and children.
- Ensuring the prescribed levels of educator to child ratios are met and each educator at the service meets the qualification requirement relevant to their role.

The service shall require that all persons employed (whether for financial remuneration or as volunteers) in the service are fit and proper to undertake the work for which they are engaged in the service. It shall be a condition of all employment (including for volunteers) that their employment ceases immediately if they cease to be fit and proper for any reason.

A person is considered fit and proper if, in the reasonable opinion of the Nominated Supervisor (or other appropriate delegate of the Approved Provider of the service) they: -

- Can provide an adequate standard of childcare in the school age care setting.
- Are of good character and suitable to be entrusted with the care and protection of children; and
- Have obtained and provided to the Approved Provider of the service their current positive suitability notice, as per the *Working with Children (Risk Management and Screening) Act 2000 and Regulations 2011*.

The Approved Provider shall ensure that all educators have a current position description detailing their role and duties as per their position.

The coordinator shall ensure that educators are fully informed of the policies and procedures of the service, including all changes to them, by providing an Educator Handbook and appropriate forums to provide feedback and ideas for the ongoing improvement of the service.

The coordinator shall ensure that there is an up-to-date copy of the *Education and Care Services National Law Act 2010 and Regulations 2011* at the service (go to www.acecqa.gov.au to obtain a copy) for reference by educators and so that educators are made and kept aware of its relevance and application to them.

The coordinator shall convene regular meetings with educators to keep them informed of all matters of concern relating to the service which is relevant or necessary for them to know to do their job confidently. Minutes of these meetings will be recorded.

Educators will not be permitted to consume alcohol, drugs, or cigarettes, or be affected by them during the hours children are in their care.

Educators who require regular medication for potentially life affecting illnesses hold a medical certificate that confirms their ability to care for children.

Educators have a responsibility to:

- Adhere to the policies and procedures of the service and any direction given by the coordinator in their job role.
- Actively supervise children in all areas of the service by being within sight and/or hearing distance.

 - Learning Through Play.

 - Evaluation for Wellbeing and Learning.
