The CKC website makes it clear that families have access to information on relevant community resources for their children, and the coordinator ensures that they are available and/or sought and made available on the request or identified need of parents/carers.

The coordinator of the service ensures that the local community are provided with information about the service, are invited to attend service events and to provide feedback on the operation of the service, and to explore any ways in which stronger community links can be built.

Community members can meet with the coordinator by appointment to discuss any issues or concerns with the service.

The coordinator will treat all enquiries and concerns, and the people making them, seriously and with respect and will endeavor wherever possible to answer questions and provide required information.

Any deficiencies in the service which are identified through this process and can be rectified will be taken into account by modifying or enhancing these policies and procedures, or the program, as appropriate.
