Procedures

All employees seeking to take extended leave such as annual leave or leave without pay shall submit their request in writing to the Approved Provider at least two weeks prior to such leave. Consideration will be given to approve leave at short notice in case of emergencies and unforeseen circumstances.

Employees requesting long service leave must submit their request, in writing to the Approved Provider, at least 3 months prior to the leave being taken.

Management shall approve such leave unless it is detrimental to the service's successful operations. Should leave not be approved, the employee shall be entitled to have notification and rationale within 3 working days of the original request for leave.

All sick leave shall be reported to the immediate supervisor of that employee to ensure a suitable replacement can be obtained. Pre-planned arrangements for replacement staff will be in place.

In the event of sick leave of the Coordinator/Nominated Supervisor/Responsible Person, a report shall be made to the Approved Provider with the name of the person expected to assume responsibility for the service on that day or throughout the duration of their leave period. Medical certificates may be requested by the Approved Provider if the sick day falls after a weekend, public holiday or more than two consecutive sick days. Sick leave that falls during vacation care will require a medical certificate.

Management shall ensure that employees do not accrue any more than 6 weeks annual leave per annum. This shall be monitored through providing a balance sheet with annual audited reports documenting leave accruals.

Employees shall receive notification of their holiday and personal leave accruals on their weekly or fortnightly pay slip.

All types of leave shall be appropriately recorded on timesheets.
