Important Information for Parent and Carers

Thank you for your interest in our program. We have an exciting program planned but please keep in mind excursions/incursions are also subject to change due to possible inclement weather or any situation where safety is a concern. We look forward to incorporating a variety of incursions/excursions for a fun filled program!

Centre Information: Currumbin Kids Club operates during the school holidays from 6:30am – 6:00pm. Our program offers a variety of activities and experiences, all of which are designed to enhance and develop each child's skills and abilities. We want to provide every child with a safe, nurturing, and fun environment; therefore, we have a zero tolerance towards bullying. Please refer to our Bullying and Behaviour Management Policy for further information.

Fees: The daily fee for Vacation care is \$67.00 per child per day, this amount is eligible for the government's Child Care Subsidy (CSS). Additional costs associated with incursions or excursions will be added onto the daily fee. The full fee is stated on the Vacation Care Program. This amount will receive the Child Care Subsidy. Any Late fees, Non-Cancellation Fees and Ad-Hocs are not eligible for the Child Care subsidy. If you are unsure about your entitlement to the Child Care Subsidy, please contact the Family Assistance Office on 136 150.

Childcare Subsidy (CCS): Please be aware of both your CCS percentage coverage and fortnightly entitlement hours. A session of Vacation Care equates to 11.5 hours toward your fortnightly hours. Regardless if your child attends less than the full day; CCS is applied by the session. If you run out of hours, CCS will not apply to the remainder of your bookings until the next fortnight period. If you have questions or concerns, please send an email to discuss.

Educator to Child Ratios: The National Quality Framework (NQF) sets out the minimum qualification and educator to child ratio requirements for children's education and care services. Minimum ratios also vary based on activity and whether we are on-site or away on excursion. Total daily bookings accepted is based on Educator availability and activity type to ensure safety off all children in our care.

Current Users of Currumbin Kids Club: Use the Xplor Home app to make a Booking Request. Select the day(s) and child/ren attending, and tick the All Day box and write Vacation Care in the comment box. To attend the vacation care program, you must have a booking. We will not accept walk-in arrivals. If you do not have a booking and you need your child/ren to attend a particular day, last minute, you will need to call the service during our operating hours to see if we have any cancellations or room for them. This is particularly imperative for excursion days as the buses have a limited number of seats. However, it is important for every day of vacation care.

Preps: Incoming Preps (starting prep in 2025) can attend all days including excursions. On Pool Party days, preps who are competent swimmers and have a signed swimming ability form will be given consideration to participate in the pool. Non-swimmers and preps will participate in their own water play.

Program: Our Program has a combination of excursions and incursions as well as standard days at the centre. We ensure our program is inclusive of all children and their various abilities. All activities are accompanied by risk assessments that can be supplied upon request.

Food Information: Currumbin Kids Club will offer a nutritional breakfast (up until 8am) and afternoon tea (around 3pm). It is the parent/carer's responsibility to pack a lunchbox with morning tea, lunch, and snacks. Please ensure your child has a substantial amount of food as our program is more physical and longer than a typical school day. This lunch should consist of standard healthy foods that you would give your child on a school day i.e., food that does not require heating or kitchen preparation. Your child must also have their own clearly labelled drink bottle, especially on excursion days as water may not always be available. If your child/ren have any dietary requirements or any allergies/food sensitivity you will need to meet with the service's co-ordinator regarding risk minimisation.

Clothing: Please ensure that your child/ren bring a SunSmart hat, as we are outside a lot, and this is particularly important in maintaining a Sun Safe Centre. We have a 'No Hat, Shade Play' Policy and any child/ren without a hat will be asked to remain in undercover areas. All children must wear suitable footwear. Sneakers, runners, or any other type of closed in shoes are acceptable. You may also wish to pack an extra change of clothes (shirt, shorts, underwear, and socks) for your child/ren in the event of wet weather or other situations.

PLEASE NOTE: Children must bring their own hat; enough food for morning tea and lunch; labelled drink bottle; wear closed-in appropriate shoes; and SunSmart clothing.

The Centre will provide sunscreen - if you do not want your child/ren to be given sunscreen then you must provide your own or speak with our educators.

***NO SINGLETS, CROPPED T-SHIRTS, THONGS, SANDALS OR 'CROCS' STYLE SHOES.**
